iRock - Individuals Reaching Out, Changing Kids

"At the present time your plenty will supply their need so that in turn their plenty will supply your need" 2 Corinthians 8:14

January began with opportunities to minister to the children at Jubilee Christian Center and Warwick AG. The Children's Pastor's both asked that I help instill in their kids a heart for missions that will remain with them for a lifetime. In preparing for the services, God gave me a message that shared how we will personally touch a specific group of people with the gospel. That group of people will be different from person to person. Individually we can't reach the entire world but if we are obedient to reach the people that God personally asks us to reach, His kingdom will grow in great numbers. But how can we help kids to understand this concept?

Through a stalk of celery we can help kids understand we are only responsible to share the gospel with a certain group of people. If the entire

head of celery represents a country and each individual stalk represents a person, then what does your head represent. Some of the kids said Canada, Africa, their school, Europe or the United States. They already knew their missions field. What is your mission field? Who are the people that God is asking you to reach? If you're not sure, ask Him to reveal it to you so that you too can be obedient to God's call on your life.

An update on our Missions Application Process Rusty and I have been invited to Springfield Missouri, for Missionary Candidate Orientation in March. We are both excited about this leg of our journey and would greatly appreciate your prayers. I'm amazed at the doors God has already opened and the ones he has yet to reveal to us. We will be flying into Springfield on March 9th and returning on March 15th. Keep us in your prayers that week as we travel and participate in our orientation and training.

Our ministry vision includes:
Servant Training to benefit Children's Pastors, Leaders, Ministry teams and children.
Sunday Services focused on missions

awareness and education.
Encouragement and networking for individuals serving in children's ministry.

"To prepare God's people for works of service, so that the body of Christ may be built up"
Ephesians 4:12
